Origin Story

North Carolina Trailer Sales started as a local, family-owned business in 1996.

The Shelton family saw a need in their community for trailer experts that could provide a wide range of trailers with a superior level of service. They started NC Trailers with the purpose of thriving together with their expert team, valued customers, and the communities they serve.

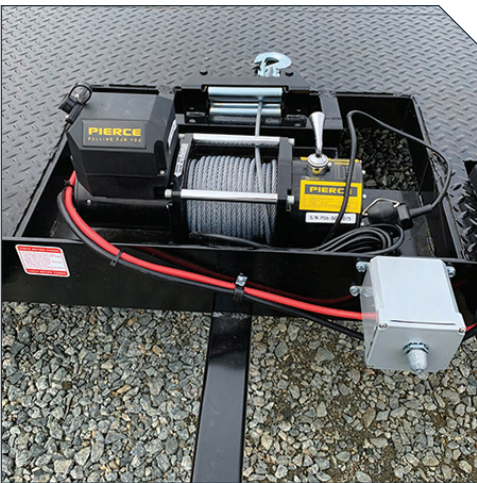

NC Trailers Advantage

In service to our customers and our community, NC Trailers provides 4 key elements that other dealerships do not:

- #1 Rated Trailer Dealer in the Carolinas!
- Hundreds of Trailers in Stock
- Guaranteed Approvals
- Lifelong Trailer Support

We offer delivery/pickup of trailers needing serviced (within a 25 mile radius of each dealership). We carry 1,000's of trailer and tow vehicle parts and accessories, including the option to have us measure, order, and install your replacement axles. Our trained service professionals can repair, modify, and install a wide range of trailer and tow vehicle needs, including 5th-wheel, gooseneck, and bumper pull hitch kits, brake controllers, and more!

What We Do

- ▶ We sell new and pre-owned trailers
- ▶ We provide a cash price discount on trailer purchases
- ▶ We appraise and accept trade-ins
- ▶ We sell and install truckbeds & bedliners
- ▶ We sell and install bumper pull, gooseneck, and 5th wheel hitch kits
- ▶ We sell and install parts for trailers & tow vehicles
- ▶ We provide in-house NC DMV title registration & plates
- ▶ We provide custom payment solutions, including trailer financing, parts & service financing, truckbed financing, and a trailer rent-to-own program
- ▶ We provide long term solutions including GAP, theft protection, tire and wheel protection, service plans
- ▶ We offer custom trailer ordering to meet your needs including additional sizes, options, and accessories
- ▶ We provide commercial customer perks + discounts, custom trailer designs, drop-in safety inspections, early emergency drop off and scheduling
- ▶ We have trained service professionals for repairs, maintenance, upgrades, modifications, fabrications
- ▶ We provide manufacturer warranty assistance
